## The Alex Gow Super Puzzle Book

CROSSWORDS, WORDSEARCH,  
CODE CRACKER, SUDOKU & TRIVIA

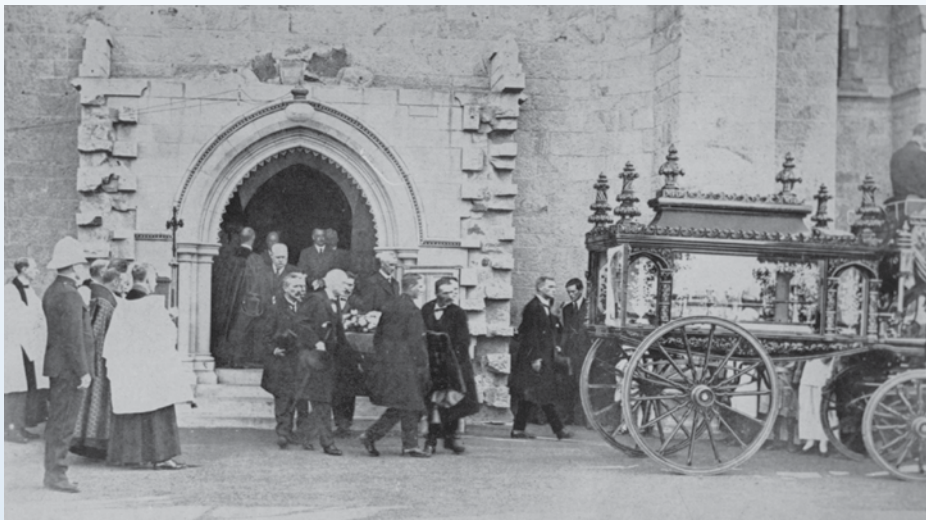

*A Brisbane Family Owned Company*

*October to December 2020*

## WE'VE BEEN HELPING QUEENSLAND FAMILIES SINCE 1840

Whilst the history of our business dates back to 1840 as the first ever funeral business in Queensland, it was not until 1909 when Alexander Gow acquired the remaining shares from his partner Walter S. Barrett, that the Alex Gow brand would become Queensland's first and oldest funeral business.

Four generations of the Gow family have worked in the business and today Alexander's grandson Alistair and his children continue the tradition of family ownership and the high standards set by their predecessors. We believe that by being family-owned we are able to give a more personal service and be more flexible to the individual needs of our clients.

We live for our business and everything we do reflects our on-going commitment to providing affordable, quality services to our community. With four locations across SE Queensland Alex Gow Funerals is close by to assist you and your family 24hrs a day.

**It doesn't matter if your need is immediate or you're just thinking ahead, the wonderful staff at Alex Gow will be there to guide you through all the options. Call us anytime at all on 07 3851 7800.**

**We hope you enjoy our free puzzle book. It's a great opportunity to test your skill and knowledge and keep mentally active. It's also a lot of fun.**

**Alex Gow puzzle books are supplied free as part of our ongoing commitment to community service. The book is broken up into monthly sections and answers for each month will be published on our website.**

### PLAYING SUDOKU

To solve a Sudoku puzzle, every number from 1 to 9 must appear in:

- Each of the nine vertical columns
- Each of the nine horizontal rows
- Each of the nine 3 x 3 blocks

Remember no number can occur more than once in any row, column or 3x3 block.

### PLAYING CROSSWORDS

Crosswords are one of the greatest word association puzzles of all time. Our 15x15 crosswords are easy to do in one session or complete over time. Using the clues provided fill in the answers moving left to right and top to bottom. Work with a friend if you want as sometimes two heads are better than one when solving a crossword puzzle. The more puzzles you do, the more familiar you'll be with standard puzzle clues and answers.

### PLAYING WORDSEARCH

Find all the words listed hidden in the grid of letters. They can be found in straight lines up, down, forwards, backwards or even diagonally.

### PLAYING CODE CRACKER

Each number represents a different letter of the alphabet. Work out which number stands for which letter to complete the crossword. We've given you two letters to start. All words are from a dictionary and no proper nouns are used. All letters of the alphabet are not always used. When you have cracked the code fill in the answer in the boxes at the bottom.

### PLAYING TRIVIA

Trivia is a great way to test your memory for general knowledge and history. Simply write your answers beside the questions and check to see how many you got right. Great to do with friends or on your own.

### COLOURING FOR ADULTS

Like painting and craft, coloring offers a great source for focus and creativity. It has been shown to have stress-reducing benefits and helps with anxiety in people of all ages. It is a great fun social activity it also produces a similar calming effect on the brain to meditation.

### WIN A COLES \$100 GIFT CARD

When you visit the puzzle answers page on our website you can enter to go into our monthly draw to win a Coles \$100 gift card.

**PLUS, you'll find bonus questions there giving you another opportunity to win!**

**Full details on page 17**

## It Makes Good Sense Advantages of Preplanning your funeral

### Ease the burden on your family

If your wishes are known when you die, they won't be faced with making difficult decisions at a trying time. But when planning with the Alex Gow Executor Funeral Plan there is also provision where you can leave permission for your family to change your wishes, should the need arise. This doesn't mean they have complete freedom to change everything, but it does show that you trust those you have left behind to carry out your wishes and at the same time fulfil their personal needs as they face your passing.

### Assume financial responsibility

Planning ahead enables you to make financial arrangements to cover your funeral costs. Even if you are leaving behind sufficient money, will your survivors be able to access it? Life insurance and superannuation payouts are quite often not available when it comes time to pay for funeral expenses. And unfortunately, with Funeral insurance there is no guarantee it will be used to pay for your funeral.

### Help your family to have the benefit of a meaningful funeral

A funeral is an important event for a grieving family. Psychologically, it enables the family to begin the healing process. Families benefit emotionally and socially by honouring the lives of their loved ones with a fitting ceremony and by giving them a proper send off.

## Why an Alex Gow Pre-arranged Funeral Local

- Alex Gow Funerals is a Brisbane family owned business with almost 180 years of experience looking after local families.
- Alex Gow Funerals recommends you place your investment in a Sureplan Funeral Bond. Sureplan Friendly Society is a Queensland company owned by its members since 1935 and therefore all members benefit from lower premiums and higher returns as all dividends are paid to the members, none are paid to third party shareholders.

### Options

- The unique flexibility of the Alex Gow Executor Funeral Plan gives you a wide choice of options so you can tailor your plan to suit your own individual requirements.
- You can invest up to \$13,250 in a funeral bond for each person and this is not subject to the Governments Income and Assets Tests. So, your pension entitlements are protected.

### Flexible

- No lock in contracts
- Once you have completed your Executor Funeral Plan you can change your details at any time.
- There are no financial penalties imposed should you move interstate or to an area where Alex Gow Funerals cannot carry out your Executor Plan funeral.

If you are looking to plan or pre-plan a funeral service, please call us on 3851 7800 to make an appointment to meet one of our staff in the comfort of your own home or, if you prefer, at one of our four conveniently located offices.

# A meal delivered to the door

Sometimes the pressures of life bought about by ill-health, a disability or depression impact on our motivation, desire or ability to cook. Often, it's the last thing we can or want to do.

Our sense of independence can be challenged by admitting we might need a little help. Meals providers are often told, "I wish I'd got meals sooner".

A common problem facing people adapting to changed circumstances is poor nutrition and or weight loss. These often lead to more complications. A few decent meals a

week make a huge difference. The easiest way to find out about services is to ring your local Meals on Wheels service. Numbers listed below, they will be more than happy to explain how their particular service operates, and to get you started.

## Puzzles Can Help Your Brain

Scientific studies have proven that working with puzzles and other logic games helps improve reasoning, memory and logic. They promote a form of synergy between the left and right brain, termed by psychologists as a “full brain approach”. This can result in better memory, deeper learning and better recall. Puzzles appeal to our creative and logical minds, offering a full brain work out, especially for retirees who don't have a daily work commitment.

Alex Gow recognises this and hopes that by offering this Puzzle Book with up to three-month's worth of fun brain exercises, we can actually help you improve your brain vibrancy as you get older. One of the biggest fears for us all as we get older is losing our mental sharpness, possibly developing dementia, Alzheimer's or other mental illnesses – but by giving our brain a moderate workout on a frequent basis we can help hold off the onset of some of these issues.

Puzzles and games also instigate social interaction and communication. Doing puzzles together is a pleasurable experience for all participants helping to maintain social and communicative skills. Science has also shown that when a puzzle is finally completed there is a feeling of satisfaction and dopamine is released in the brain, as a kind of reward system for our efforts.

**Please enjoy your FREE Alex Gow Puzzle Book.** Remember all the answers and solutions can be found on our web site [www.alexgowfunerals.com.au](http://www.alexgowfunerals.com.au) They are published at the beginning of each month along with a couple of bonus Questions that will give you an extra entry in the monthly draw for the \$100 Coles voucher.

Note: All data collected on the Alex Gow Puzzle Book answers web page remains private and will not be shared with any other party.
