*A Brisbane Family Owned Company*

April to June 2024

## HELPING QUEENSLAND FAMILIES SINCE 1840

Whilst the history of our business dates back to 1840 as the first ever funeral business in Queensland, it was not until 1909 when Alexander Gow acquired the remaining shares from his partner Walter S. Barrett, that the Alex Gow brand would become Queensland's first and oldest funeral director.

Five generations of the Gow family have worked in the business and today Alexander's grandson Alistair, along with his children and grandchildren continue the tradition of family ownership and the high standards set by their predecessors. We believe that by being family-owned, we are able to give a more personal service and be more flexible to the individual needs of our clients.

We live for our business and everything we do reflects our on-going commitment to providing affordable, quality services to our community. With four locations across SE Queensland Alex Gow Funerals is close by to assist you and your family 24hrs a day.

**It doesn't matter if your need is immediate or you're just thinking ahead, the wonderful staff at Alex Gow will be there to guide you through all the options.**

**Call us anytime at all on 07 3851 7800.**

**We hope you enjoy our free puzzle book. It's a great opportunity to test your skill and knowledge and keep mentally active. It's also a lot of fun.**

**Alex Gow puzzle books are supplied free as part of our ongoing commitment to community service. The book is broken up into monthly sections and answers for each month will be published on our website.**

### **WIN A \$100 GIFT CARD**

When you visit the puzzle answers page on our website you can enter to go into our monthly draw to win a \$100 gift card.

**PLUS, you'll find bonus questions there giving you another opportunity to win!**

**Full details on page 16**

### **PLAYING SUDOKU**

To solve a Sudoku puzzle, every number from 1 to 9 must appear in:

- Each of the nine vertical columns
- Each of the nine horizontal rows
- Each of the nine 3 x 3 blocks

Remember no number can occur more than once in any row, column or 3x3 block.

### **PLAYING CROSSWORDS**

Crosswords are one of the greatest word association puzzles of all time. Our 15x15 crosswords are easy to do in one session or complete over time. Using the clues provided fill in the answers moving left to right and top to bottom. Work with a friend if you want as sometimes two heads are better than one when solving a crossword puzzle. The more puzzles you do, the more familiar you'll be with standard puzzle clues and answers.

### **PLAYING WORDSEARCH**

Find all the words listed hidden in the grid of letters. They can be found in straight lines up, down, forwards, backwards or even diagonally.

### **PLAYING CODE CRACKER**

Each number represents a different letter of the alphabet. Work out which number stands for which letter to complete the crossword. We've given you two letters to start. All words are from a dictionary and no proper nouns are used. All letters of the alphabet are not always used. When you have cracked the code fill in the answer in the boxes at the bottom.

### **PLAYING TRIVIA**

Trivia is a great way to test your memory for general knowledge and history. Simply write your answers beside the questions and check to see how many you got right. Great to do with friends or on your own.

### **COLOURING FOR ADULTS**

Like painting and craft, coloring offers a great source for focus and creativity. It has been shown to have stress-reducing benefits and helps with anxiety in people of all ages. It is a great fun social activity it also produces a similar calming effect on the brain to meditation.

# It makes good sense to pre-plan your funeral

## **Ease the burden on your family**

If your wishes are known when you die, they won't be faced with making difficult decisions at a trying time. But when planning with the Alex Gow, there is also provision where you can leave permission for your family to change your wishes, should the need arise. This doesn't mean they have complete freedom to change everything, but it does show that you trust those left behind to carry out your wishes and at the same time fulfil their personal needs as they face your passing.

## **Assume financial responsibility**

Planning ahead enables you to make financial arrangements to cover your funeral costs. Even if you are leaving behind sufficient money, will your survivors be able to access it? Life insurance and superannuation payouts are quite often not available when it comes time to pay for funeral expenses. And unfortunately, with Funeral insurance there is no guarantee it will be used to pay for your funeral. Pre-paying gets it all sorted and out of the way so you can move on confidently.

## **Help your family to have the benefit of a meaningful funeral**

A funeral is an important event for a grieving family. Psychologically, it enables the family to begin the healing process. Families benefit emotionally and socially by honouring the lives of their loved ones with a fitting ceremony and by giving them a proper send off they will remember.

# 4 great reasons to choose an Alex Gow Pre-arranged Funeral

## 1. We're local, just like you

Alex Gow Funerals is a Brisbane family owned business with almost 180 years of experience looking after local families.

## 2. We offer guaranteed security

Alex Gow Funerals recommends you place your investment in a Sureplan Funeral Bond. Sureplan Friendly Society is a Queensland company owned by its members since 1935 and therefore all members benefit from lower premiums and higher returns.

## 3. We offer real options

The unique flexibility of the Alex Gow Executor Funeral Plan gives you a wide choice of options so you can tailor your plan to suit your own individual requirements. You can invest up to \$13,500 in a funeral bond for each person and this is not subject to the Governments Income and Assets Tests. So, your pension entitlements are protected.

## 4. We're flexible to ensure you get what YOU want

At Alex Gow Funerals we have no lock-in contracts so once you have completed your Executor Funeral Plan you can change your details at any time. There are also no financial penalties imposed should you move interstate or to an area where Alex Gow Funerals cannot carry out your Executor Plan funeral.

# More than just a meal

---

Sometimes, the pressures of life brought about by ill-health, a disability or depression impact on our motivation, desire or ability to cook. Yet to remain healthy and enjoy life, we need to eat nutritious meals.

Our sense of independence can be challenged by admitting we might need a little help but Meals on Wheels is here to deliver more than just a meal to you. Whether you need meals every day, or just a few to help on those days you are not at your best, there is support available for you.

The easiest way to find out about services is to ring your local Meals on Wheels service. Their numbers are listed below. They will be more than happy to explain how their particular service operates, and how to get started.

# Puzzles Can Help Your Brain

---

Scientific studies have proven that working with puzzles and other logic games helps improve reasoning, memory and logic. They promote a form of synergy between the left and right brain, termed by psychologists as a “full brain approach”. This can result in better memory, deeper learning and better recall. Puzzles appeal to our creative and logical minds, offering a full brain work out, especially for retirees who don’t have a daily work commitment.

Alex Gow recognises this and hopes that by offering this Puzzle Book with up to three-month’s worth of fun brain exercises, we can actually help you improve your brain vibrancy as you get older. One of the biggest fears for us all as we get older is losing our mental sharpness, possibly developing dementia, Alzheimer’s or other mental illnesses – but by giving our brain a moderate workout on a frequent basis we can help hold off the onset of some of these issues.

Puzzles and games also instigate social interaction and communication. Doing puzzles together is a pleasurable experience for all participants helping to maintain social and communicative skills. Science has also shown that when a puzzle is finally completed there is a feeling of satisfaction and dopamine is released in the brain, as a kind of reward system for our efforts.

**Please enjoy your FREE Alex Gow Puzzle Book.** Remember all the answers and solutions can be found on our web site [www.alexgowfunerals.com.au](http://www.alexgowfunerals.com.au) They are published at the beginning of each month along with a couple of bonus Questions that will give you an extra entry in the monthly draw for the \$100 GIFT CARD.
